American Sign Language
VOLUNTEERS NEEDED FOR RESEARCH STUDY

As a participant in this study you will be asked to:

- Complete vision and language preliminary procedures
- Complete a self-paced American Sign Language version of a language test (Computerized Revised Token Test; CRTT)
- Complete a self-paced English reading version of the CRTT
- Complete an American Sign Language Stroop version of the CRTT
- Complete the English written Stroop version of the CRTT
- Tell us about the difficulty of the test
- The protocol will take no longer than 3 hours
- You will be compensated $20.00 for participating.

You may qualify if you:

- Are fluent or non-fluent in American Sign Language, OR
- Have at least one year of ASL training, OR
- Are Deaf and use American Sign Language to communicate
