

PARTICIPANTS NEEDED

Reproduce signs for \$20!

Researcher seeking participants to reproduce signs.

To participate, you must:

- have been using ASL as one of your primary languages since age 4 OR be a hearing non-signer
- be 18 or older
- not have participated in the ASL-Likeness Survey that ran March through April

The study will take approximately one hour and all participants will be compensated \$20 for their time.

Interested? Email heather.hamilton@gallaudet.edu to schedule your participation in this study today.

*This research and methodology has been approved by the Institutional Review Board at Gallaudet University.
